Electa Live for iOS users (iPad and iPhone)

Electa Live for iOS is available on the App Store for free. You can download it on the following address or search the App Store for Electa Live 8.

Download from App Store

The app is needed for both students and session hosts who want to attend or host live sessions. To attend live sessions or play recorded classes this app has to be installed on the device.

After installing the app please go back to your Safari web browser on your mobile device and follow the link to your event.
