

Send certificate or diploma by email

This article explains how teachers can e-mail already issued certificate or diploma to a student, it can be done from two different sources.

Open from the main menu **Courses > Issued Certificates and Diplomas**. Click on the **red option button** in the row of the chosen student and click on **E-mail certificate** to student from dropdown menu.

The screenshot shows the 'Issued Certificates' page with a search bar and a table of certificates. A dropdown menu is open for the first row, showing options: 'Preview Certificate', 'E-mail certificate to student' (highlighted with a red box), and 'Remove Certificate'. A red arrow points to the red gear icon in the 'Certificate' column of the first row.
