

What are quiz statistics?

Quiz statistics are information provided to you about the students' activity on the quiz. they show participation rate, minimum points achieved, maximum points achieved and accuracy rate for each question.

Participation rate - shows how many of the users have provided an answer for the specific question

Minimum points achieved - provides you with the minimum amount of points a user has achieved on the individual question.

Maximum points achieved - provides you with the maximum amount of points a user has achieved on the individual question.

Accuracy rate - gives you an overall achievement rate of how many points the students have achieved all together in comparison to what the overall rate could have been out of 100. For example if a question is worth 5 marks and 3 students have completed the question with full marks, the accuracy rate would be 15/15 (100%).

How to view quiz statistics

Quiz Statistics

Once you have opened your **assignments, homework and quizzes** area, you can either click onto the red settings button next to the quiz > **view stats**

The screenshot shows a quiz management interface. At the top, there are buttons for 'Create Assignment', 'Create Quiz', and 'Delete', along with a search bar. Below these are filters for 'Date Created', 'Due Date', 'Assignments by All Teachers', '<All Assignments>', 'Quizzes Only', 'User Group', and '10 items'. A checkbox for 'Show only tasks waiting for acceptance' is also present. The main content is a table with columns: 'Id', 'Task / Quiz Title', 'Available After', 'Due Date', 'Created by', 'Status', and 'Max Points'. Two quizzes are listed: 'Basic ICT Quiz' (ID: ICT1, Status: Expired, Max Points: 26) and '3234' (ID: 3, Status: Expired, Max Points: 26). A red settings button is next to the first quiz, which has opened a dropdown menu with options: 'Update Summary', 'Copy Quiz', 'Manage Quiz Questions', 'Select Students', 'View Progress', 'View Stats', 'Preview Quiz (As a student)', and 'Print'. Below the table, it says 'Showing 1 to 2 of 2 entries (filtered from 7 entries in total)'.

| <input checked="" type="checkbox"/> | Id | Task / Quiz Title | Available After | Due Date | Created by | Status | Max Points |
